

*When a storm chaser shows up on Decoursey's doorstep,
she doesn't realize she's in for the weekend of her life.*

Decoursey dreads the upcoming weekend. A big NASCAR race is taking place at the speedway near her home—and her abusive, murder-threatening ex-husband just so happens to be a member of a NASCAR pit crew. Determined not to let her ex-husband have a decent opportunity to make good on his threat, Decoursey puts an ad online, hoping to find some security in the form of a guy needing a place to crash.

Enter Kennan, a storm chaser looking to get away for a few days. Fresh off a failed storm chase, Kennan doesn't make the best first impression. But that quickly changes as Decoursey gives Kennan a chance and finds the recently broken heart of a gentleman hidden beneath the surface. As sparks fly, so do hopes that they can dream of romance once again. But when their newfound trust is broken, will Decoursey and Kennan weather the storm to find a love that lasts?

Racing Storms, the exciting debut in Sara Russell's *Chasing Desire* trilogy, will get your heart pumping all the way to the finish line.
